Within 14 days ¥10,800

Great effect and continuousness!

~Face forming care (90min)~(KORUGI for face lift up + face muscle)

In this course, we utilize smile line correction to put the bones in a right position, massage the face muscle that supports these bones to make it possible to correctly moved in a right position, and offer an additional care to massage face muscles that are difficult to maintain with only a correction. This maintains your face to a slim, small and sharp face and it also has an anti-aging effect.

Regular Price ~~¥32,400~~

First Advantage ¥12,960
Within 14 days ¥16,200

Lift up facial care (60min)

Electroporation technology increases the permeability of active ingredient of the polymer to deep inside the skin. With "EMS" effect, your skin will be lifted up to have more elasticity and moisture. And also with "high frequency" effect, it improves the flow of the blood and lymph to increase the metabolism of the skin.

Regular Price ~~¥21,600~~
